

Job Description: Part Time Preschool Teacher

Community Nursery School seeks a dynamic, loving and committed preschool teacher to join our team of educators in September of 2023. CNS is a Reggio-inspired, community-based cooperative preschool located in Lexington, MA.

- This is a part time co-teaching position for the 2023-2024 school year (Sept '23 - early June '24)
- Hours are 8:30am - 12:30pm, 5 days a week, with additional paid time for planning and staff meetings, professional development, parent outreach and community collaboration. The weekly calculated hours are 21.75.
- This position includes a competitive salary with paid time off as well as opportunities for professional development.
- If interested in additional hours, opportunities are available some afternoons as an enrichment teacher (12-1 or 12-2 pm).
- For more information about Community Nursery School, please visit www.cnslex.org.

Ideal candidates should have:

- EEC Preschool Teacher Certification (or background in education and/or a willingness to pursue certification).
- Genuine love for and interest in the work of young children.
- Familiarity with Reggio-inspired, inquiry-based early education approach.
- A solid knowledge of child development and process-oriented, play-based learning.
- A commitment to nature-based learning and a comfort with teaching outdoors for a portion of the day.
- The ability to create an inspiring and engaging learning environment where children experience joy and a sense of wonder.
- The capacity to create warm, nurturing and professional relationships with children, families and fellow educators. The ability to interact collaboratively with colleagues and families.
- A commitment to celebrating cultural diversity and respect for diverse learners.
- Excellent verbal and written communication skills and ability to work both cooperatively and independently on a co-teaching team.

How to apply:

- Interested candidates should send their cover letter, resume & references to: admin@cnslex.org.
- Applicants must clear a full background check (CORI, SORI, fingerprinting) & pass a health screening before hire.
