

2022 SUMMER CNS

Community Nursery School's summer program provides an experience devoted to the exploration of engaging materials in our beautiful outdoor setting. The day includes free exploration, small group work, art and sensory activities, water-play, stories, music, and time for snack and lunch.

For 2022 programming, Summer CNS will be offering three two-week sessions. Children may be registered for one, two, or all three of the sessions. *Please note, due to the timing of two legal holidays (Juneteenth and the 4th of July), two of the individual weeks will have programming on Tuesday-Thursday, only.* Pricing is adjusted for those sessions.
